Automated front presentation for

# HAIR STYLING PRODUCTS

WITH THE PUSHFEED SYSTEM **POS-T C60**

## Components for a single shelf:

- A** Universal front profile with integrated front riser H 45mm, also for wire shelves (1 x per shelf)
- B** C60 L-bracket with pre-assembled pushfeed (quantity depending on product spaces or shelf width)
- C** End divider for side closure (1 x per shelf)

## YOUR BENEFITS:

- Increase in sales and turnover
- Perfect visibility of all products
- more stability for products at risk of tipping over
- Less shelf maintenance effort
- Neat and tidy shelf appearance
